

REMEMBRANCE

*Remembrance Day
Lest We Forget*

In our churches this week we will remember all those who have given their lives for the peace and freedom we enjoy today. We will join with people across the nation to pause to reflect on the sacrifices made by our brave service men and women from Britain and across the world. We will observe the collective act of two minutes silence as we stand together and reflect on the price of freedom. It is also a time when we commit ourselves to work in penitence and faith for reconciliation across the nations, that people may live together in freedom, justice and peace.
