

The annual cycle of the Church's year now ends with today's **Feast of Christ the King**. The year that begins with the hope of the coming Messiah ends with the proclamation of his universal sovereignty. The ascension of Christ has revealed him to be Lord of earth and heaven, and final judgement is one of his proper kingly purposes. The Feast of Christ the King returns us to the Advent theme of judgement, with which the cycle once more begins.

*Today, we welcome **Julia Cernoch** on Placement to the South Norwood United Benefice. Julia is married to Warwick and has three children aged 15 to 22. In the late 1980s she studied law at Cambridge, after which she spent three years working in Prague and then worked as a corporation tax adviser*

*in London. She first came to know Jesus while she was in Sixth Form, and she's now a **Reader at St John's West Wickham**. Julia has a particular passion for biblical languages and is currently studying for an MA in Biblical Studies at St Mellitus College. When she's not looking after her family or helping at church, Julia very much enjoys Flamenco dancing! She is really looking forward to getting to know everyone at Holy Innocents and St Mark's.*
